Economics Minor

A minor in Economics requires:
- a minimum of 18 units in Economics
- a minimum of 9 (of the 18 units) must be upper-division (300 or 400 level)

In addition to the above unit specifications, minors in Economics must complete the following specific course requirements:

1. **Introductory Economics:** ONE of these introductory offerings must be completed before other Economics classes can be taken. *(Students cannot receive units for both)*

   ECON 200 or ECON 201A-B

2. **Macroeconomics** Requirement: Students must complete ONE of the following three classes:

   ECON 330 (can only be taken during Summer and Winter Sessions)
   ECON 331 (typically offered in the Fall)
   ECON 332 (Prerequisite: MATH 113 or 116 or 122 A/B or 125)

3. **Microeconomics** Requirement: Students must complete ONE of the following three classes:

   ECON 300 (can only be taken during Summer and Winter Sessions)
   ECON 301 (typically offered in the Spring)
   ECON 361 (Prerequisite: MATH 113 or 116 or 122 A/B or 125)

Additional Economics electives should be selected to complete the 18 unit requirement based on student interest and goals.

Please note:
- Students who minor in Economics are only eligible to take ECON 300 and 330 during the Summer and Winter Sessions.
- Students interested in taking ECON 332 or 361 should note that MATH 113 or 116 or 122 A/B or 125 (with a C or better) is a prerequisite for both courses.
- ECON 291, 391, 393, 399 or 498H cannot be used for ECON electives.
- Minors do not have access to ECON electives (3/4XX level) until after Priority Registration.
